

Action Is Halted In Army Killings

Full Study of Case Sought in Murder of Three Men in 1946

Frankfurt, Germany, May 22 (AP)—Chief U. S. Prosecutor Thomas L. Ladd today abruptly halted further action in the 1946 murder of three American army officers pending "full study of the case."

Deputy Prosecutor William Canfield of Hampton, Mass., yesterday filed murder charges against former Army Capt. James M. Leech, 44, of Lima, Ohio, and said he was forwarding extradition papers to the U. S. high commission at Bonn for action.

The charges accuse Leech of the ax-and-arson murders Jan. 7, 1946, of Maj. Everett S. Coffran of Washington, D. C., Capt. Adrian L. Wessler of New Rochelle, N. Y., and 1st Lt. Stanley M. Rosewater of Omaha, Neb.

But Ladd, of Boston, Mass., disclosed the extradition request had not been forwarded to Bonn. He said through a State Department press officer:

"This is a highly important case and I want to study all the facts before making any further statement."

He indicated nothing further would be announced until Monday, at the earliest.

Faces Arson Charge
Leech faces three charges of murder, three of intentional homicide and one of arson.

Extradition may take a long time. After a request is received at Bonn, legal experts would decide whether to forward it to the State Department in Washington, which, in turn, would relay it to the Justice Department for recommendation.

Canfield, due to leave his post in June, said he had a "very strong circumstantial case" against Leech, former deputy to Coffran when the latter was town commander of Passau, in Bavaria.

Canfield said Coffran had discharged Leech's German girlfriend from her job as secretary and cancelled an order to finance her father's business.

Deaths May Be Mistake
Wessler and Rosewater apparently were killed by mistake. They were overnight guests in the house when the murderer entered.

Leech was released as a suspect in 1946, subsequently discharged from the army and returned home. The case remained open and was turned over to high commission courts by the army less than a month ago, A. U. S. Army spokesman at Heidelberg said today no further action had been taken by the army "because nothing conclusive had been turned up."

"This has been an open case since its inception," he said. "It has been constantly reviewed. At the time of Leech's discharge we have nothing conclusive. Finally we turned it over to the high commission for legal advice and to find out if there was anything more we could do."

U. S. Judge Devitt White of Morgantown, W. Va., who signed Leech's warrant of arrest yesterday was himself an investigator in the original murder case. He said there had been confusion as to whether jurisdiction lay with the Army's Criminal Investigation Division or Intelligence.

May Study Conduct Of War Prisoners

Washington, May 22 (AP)—Secretary of Defense Wilson is said to be considering appointment of a special committee to study problems posed by the conduct of some Americans who were war prisoners in Korea.

Robert B. Anderson, deputy secretary of defense, said yesterday he feels some "very fundamental problems" have been raised in connection with these former POWs.

One of the problems has to do with criticism that officers and enlisted men who allegedly aided the Communists had been treated in different ways since their return to U. S. control.

50-Foot Escape Tunnel Found at Jersey Prison

Trenton, N. J., May 22 (AP)—A vain attempt by New Jersey State Prison convicts to escape came to an end as prison officials reported yesterday the discovery of a 50-foot long tunnel.

The tunnel was about 6 to 8 feet under the surface and ran parallel with the wall of the prison's license tag shop.

Chop House Loses \$400 as Thief Enters Back Door; Hinges Sawed on Factory Safe

A hacksaw and a screwdriver featured in two burglaries in the city last night resulting in the loss of approximately \$400 in cash and lesser amounts from vending machines and collection cartons.

The screwdriver was used to jimmy open the till and machines at the Broadway Chop House, 19 Broadway, according to police. It was reported that between \$350 and \$400 were removed from the till by a thief who entered by opening the padlock on the back door with a key.

Donations Taken
The screwdriver also featured in opening the juke box, gum machine and cigarette machine from which undetermined amounts of money were taken. The cancer collection box, reported to have been well filled, and the cartons for multiple sclerosis and cerebral palsy were also broken open.

In addition, a box of cigars, the night deposit key, cigarette machine keys and two other sets of keys were taken. Police headquarters was notified of the break at 6:14 a. m.

The hacksaw was used to saw off the hinges on a safe in the third-floor office of Max Ulman, Inc., dress manufacturers, 12 Pine Grove avenue. They failed to get the safe open, however.

Safe Empty
Joseph E. Honig, secretary-treasurer, told The Freeman they wouldn't have gotten anything if they had opened the safe. They did pick up a couple of "beat-up alarm clocks" and four or five dollars' worth of nickels from a cold drink machine, he said.

Honig said he came into the office and unsuspectingly started to open the safe—and the door fell off. The thieves used a hacksaw and chisel, Honig said, both taken from the shop.

The figures the thieves were "rank amateurs" and thinks they may have gotten in through a window, maybe by getting on each other's shoulders.

City detectives are investigating the burglaries, two more in a series that have occurred in Kingston in recent months.

Drivers Will Sue For Car Damages

The case of two drivers who arrested each other on reckless driving charges early Thursday afternoon following a collision between two trucks and a parked car at Hasbrouck avenue and East Union street were dismissed in city court today by Judge Raymond J. Mino.

The criminal action was dismissed following notification by attorneys that a civil action would be instituted.

A truck of Graham Davis, 45, of 432 Hasbrouck avenue, a truck owned by Donald DeGroat of 56 Tompkins street and driven by Lester Reed, 28, of 47 East Union street, and the parked car of John Boughton, 54, of RDI, Box 260, Kingston, were involved in the mishap at 1:51 p. m.

'Reckless' Charges
The Davis truck was headed east on East Union street, the other truck going west on East Union street and the Boughton truck was headed east on East Union street.

Derailement, Wires Make Trains Late

New York Mail Is Held Up at West Point; Wallkill Holdup Is Caused by Auto

This morning's New York mail failed to arrive in Kingston in time for delivery when the mail train was delayed nearly four hours in the vicinity of West Point in one of two separate incidents hampering railroad operations in the area.

The northbound mail train on the West Shore, due to arrive in Kingston at 6:15 a. m., Daylight time, arrived shortly before 10 o'clock this morning, railroad men said, after Postmaster William R. Kraft had already sent local mail-carriers out on their rounds minus the mail from New York.

25-Minute Delay
In the other incident reported, a N. Y. New Haven and Hartford line freight was delayed 25 minutes in the vicinity of Wallkill when an automobile struck a Central Hudson Gas and Electric Corporation pole, bringing live wires down across the tracks about 10:10 p. m. Friday.

Local railroad officials in authority were not available this morning, it being Saturday, but a spokesman at the West Shore station here said when the mail train arrived shortly before 10 a. m., the "understandable" delay was caused by a derailement near West Point.

The fact that state police at the Newburgh barracks, who cover the West Point area, had not been notified of the delay indicated that there had been no wreck or personal injury in connection with the derailement.

Carriers Sent Out
Postmaster Kraft said that local carriers had been held a short time, but when it became apparent that the delay of the mail train would be a matter of hours, the carriers were dispatched on their rounds with mail from other areas plus some New York city mail that had arrived Friday afternoon after deliveries of that day.

Kraft explained that he was not authorized to hold carriers for extended overtime work. With 27 local routes, overtime pay of three or four hours for each carrier would be a considerable budget item, he said. The mail arriving on this morning's delayed train will be delivered Monday, he added.

Woman Attacked, Robbed in Park
A Wallkill, N. Y. New Haven & Hartford Railroad train No. B-03, a freight bound from Cedar Hill to Maybrook, was delayed about 25 minutes after an automobile driven by William J. \$1,000 Ring Among Items Taken as She Loses Way to Friend's

New York, May 22 (AP)—A woman executive, who left her office in the RCA building at mid-night, was raped and robbed by an armed man in Morningside Park early today, police reported.

The victim was identified by police as Mrs. Evelyn Nethercott, 29, of 201-16 33rd avenue, Bayside, Queens.

Police described her as an executive—details of her employment were not available—and said she had left her office in the RCA building at midnight to spend the night with a friend who lives near Columbia University.

Mrs. Nethercott walked from the building at 50th street and Sixth avenue to a subway station.

Took Wrong Train
She took the wrong train, however, police said and instead of getting off at 116th street and Broadway found herself at 116th street and Eighth avenue.

House Approval Expected For More Social Security

Jobless Figures Are Lowest in 3 Months

Washington, May 22 (AP)—Fresh Labor Department figures point to an improvement in the unemployment situation. The Department's Bureau of Employment Security said yesterday unemployment among workers covered by state jobless insurance declined by 56,800 during the week ended May 8 to a new level of 2,124,000—the lowest in three months, but still well above the 899,100 total a year ago.

The bureau traced the improvement to a seasonal employment pickup in certain industries.

Guatemala Notes Attempt to Wreck Munitions Train

Guatemala, May 22 (AP)—Guatemala said last night saboteurs blasted a rail line in an attempt to wreck a munitions train. The announcement came as the government heatedly charged the United States with spreading alarmist reports about arms arriving here from Iron Curtain countries.

Interior Minister August Charnaud MacDonald said the explosion occurred Wednesday, editorially took exception yesterday to a piece appearing last week in America, published by members of the Society of Jesus—the Jesuit Order of the Catholic Church.

The America article, commenting on the McCarthy-Army hearings in Washington, read in part: "McCarthy now seems to think all the operations of the government boil down to one: Eliminating people he judges subversive. If he insists on his piecemeal and peaceful overthrow of the Presidency, he may do great harm to U. S. policy by his so far very successful diversionary tactics."

The Tablet, in a page-one editorial, said in part: "We do not know how many the publication speaks, but we do know that the Senator is seeking, not to destroy the Presidency, but to save it from its enemies within the government itself. These enemies have made the elected representative of the people of Wisconsin the target of destruction."

China Proposes U. S. Fleet Extend Guard of Islands

Taipei, Formosa, May 22 (AP)—Nationalist China hopes to put under U. S. 7th Fleet protection a chain of small islands it holds off the Communist-Red mainland, sources here indicated today.

The fleet's present assignment is to guard Formosa and its satellite islands, notably the strategic Pescadores, and there was no indication it would be changed.

A report published here today said extension of the 7th Fleet's duties to guard the offshore islands was proposed to U. S. Defense Secretary Charles E. Wilson and to Gen. James A. Van Fleet, now on a Far East military fact-finding tour for President Eisenhower.

A number of patrons of the Broadway Theatre were reported to have walked out last night when a group of several hundred teenagers continually interrupted the showing of The Knights of the Round Table with yelling, hooting and catcalls.

Catholic Papers Disagree on Views In McCarthy Case

Publication in Brooklyn Criticizes Attitude of Editorial by Jesuit Order

New York, May 22 (AP)—The Tablet, a Roman Catholic weekly newspaper favoring Sen. Joseph R. McCarthy, has criticized America, a Jesuit magazine, for attacking the Republican senator from Wisconsin.

McCarthy is a Roman Catholic. The Tablet, official publication of the Brooklyn diocese, editorially took exception yesterday to a piece appearing last week in America, published by members of the Society of Jesus—the Jesuit Order of the Catholic Church.

Doesn't Expect Vote
Stassen, whose agency faces rough going in Congress on its \$1.3 billion dollar new foreign aid request, made clear yesterday he does not expect to find McCarthy among those voting "aye."

McCarthy and Eisenhower are at odds over a presidential order cutting off testimony about a high-level administration conference at which the army's dealings with McCarthy and his aides were discussed. Eisenhower issued his ban (Continued on Page 9, Col. 5)

Wilson Flew to Hong Kong Today
Van Fleet was due back tonight for a second visit in recent days.

There has been a series of air and sea clashes during the past week off the coast of Chekiang Province, between Formosa and Shanghai. The Tachen Islands, northern anchor of the offshore island chain, lie off Chekiang. And nationalist authorities have acknowledged that the Reds were massing land, sea and naval forces for a possible invasion. Attacks by Nationalist warplanes were aimed at disrupting Communist plans.

Invasion of the Tachens, Quemoy and other offshore bases admittedly would be a logical first step to Red conquest of Formosa.

Ike's Plan Will Cover Most Jobs

Committee Favors All President's Requests for Benefits and Adds Some of Own

Washington, May 22 (AP)—President Eisenhower's program for a bigger and more liberal Social Security system was almost ready today for House consideration.

Members of the House Ways and Means Committee predicted their group would approve the legislation next week after a couple of finishing touches. The committee has been taking up the Eisenhower program on an item-by-item basis.

Late yesterday, the committee approved all of the President's requests for higher benefits, and in a few cases added some of its own.

\$4,200 Maximum Favored
It also approved—over the opposition of most committee Republicans—the President's plan to raise from \$3,600 to \$4,200 the maximum annual income on which benefits are based and taxes are levied.

That left only two substantial items still to be acted upon: A proposal to extend coverage to farm laborers, and a plan to give disabled workers full benefits.

The committee already had accepted Eisenhower's request to extend Social Security coverage to doctors, lawyers and other professionals, to farm operators, ministers, state and local government employees and various smaller groups.

Coverage for Most All
If the bill becomes law, the system, now covering some 70 million workers and paying benefits to 6 million persons, would blanket almost the entire working force of the nation.

The Social Security System provides monthly payments to workers and their families on retirement after age 65 or to their survivors. Both workers and their employers pay special taxes into a trust fund from which benefits are paid.

Although some parts of the program are controversial, little opposition to the overall bill is expected in the House.

New Structure
The new benefit structure would boost the minimum monthly payment for a single retired worker from \$25 to \$30, and the maximum from \$85 to \$98.50. The minimum for a retired worker and his wife—if she is 65 or over—would rise from \$127.50 to \$147.75.

Even bigger increases would be provided for those retiring after the new \$4,200 base takes effect next year. The maximum monthly payment would be \$108.50 for a single worker and \$162.50 for a worker and his wife.

The new \$4,200 base also would (Continued on Page 5, Col. 6)

To Plant Dogwood As Clapp Memorial

The Little Gardens Club of Kingston recently planted a pink dogwood tree in Academy Green as a memorial to the late Sidney K. Clapp, who served the city as park commissioner in the administration of Mayor C. J. Heislman.

Mr. Clapp was a graduate of Massachusetts Institute of Technology, was a civil engineer for the New York City Board of Water Supply. He first came to this area in 1903 on the first investigation of the site of the Ashokan Reservoir. In 1906 he returned, bringing his family. He lived at Browns Station, West Shokan, Schoharie and Kingston as work on the reservoir progressed.

\$200,000 Race Barn Fire

Detroit, May 22 (AP)—A fire late last night destroyed 40 to 45 horses stabled in a wooden barn at the Detroit race course track in suburban Livonia. The fire, of unknown origin, was discovered at 11:47 p. m. (EST). Within minutes it raced through the 250 foot long stall barn located on the western side of the track. Five stablehands and groomers suffered minor burns. The dead horses included "Just Made It" and "Foot specialist." Robert Leavitt, general manager of the track, which concluded its 1954 opening day program scant hours before the fire, estimated the total damage at \$200,000.

Do You Remember

By SOPHIE MILLER

Running through some of the items in The Morning Courier dated Thursday, Feb. 1, 1883, which was published in Rondout, I came across the following: "An officer of the Seventh Cavalry Regiment at Fort Lincoln, D. T., received a letter from a woman who owned a ranch near Mandan, which in substance read as follows: 'Dear sir: My man, perhaps you know, is dead. I buried him Thursday. It is coming on spring now, and I am a lone woman with a big ranch and the Indians about. I don't mind the Indians, the red devils, but I have too much work for any woman to do. If you have any sergeant about to be mustered out, or a private, if he is a good man, I would like to have you inform me about him. If he is a steady man, likes work, and wants a good home, I will marry him, if we think we can get along together. It's a good chance for any man. Please answer.' I take it that D. T. after Ft. Lincoln meant Dakota Territory. (from 1863-1889) as this paper was published in 1883. According to Almanac, Fort Abraham Lincoln is now a state park near Mandan, in North Dakota. It was the starting point, May 17, 1876 of General George Custer and his troops for the battle of the Little Big Horn in the state of Montana where Custer and all his men were killed June 25, 1876.

This little paper is only the size of a present day tabloid, one sheet of paper folded. There are no births or weddings listed. Social events of little importance are covered in the city and through some of the towns. Under Personal several of the following items appear: "Boot Van Steenberg was in town Wednesday. Exc-Superior Lefever, of Rosendale, has been visiting town. . . . Paul Hanley has strained his foot and now has to walk a little lame. . . . Mr. and Mrs. James Scott have returned to town from their wedding tour. . . . In the Local Intelligence short items such as "The water was quite deep on Wall street Wednesday. . . . Valentines are beginning to appear in our city bookstores. . . . People in town are already seeing about the renting of houses. . . . Two prisoners were discharged from the jail Wednesday, leaving 16 still on hand. . . . The sleighing has become so thin that it is not an uncommon sight to see wagons about the street." The paper was dated Feb. 1, 1883, yet "A sleighing party went out to Mrs. Elmendorf's farm house over the creek on Wednesday evening and had a grand time."

The following proves that folks in 1883 had time for parties: "There was a grand surprise party Wednesday night at the residence of Mrs. Ira Mowell on Wall street. A large number of guests were present who assembled earlier in the evening at the home of Mrs. John Conway, a sister of Mrs. Mowell on Wall street. Fine music was afforded those present and dancing was indulged in for many hours. During the evening bounteous refreshments were served."

PFO Holds Final

Meeting of Year

New Palts, May 21—The last regular meeting of the PFO was held Wednesday night at the Campus School. Preceding the business meeting the school orchestra rendered entertainment with three selections; also a flute trio, violin and piano trio and a clarinet duet.

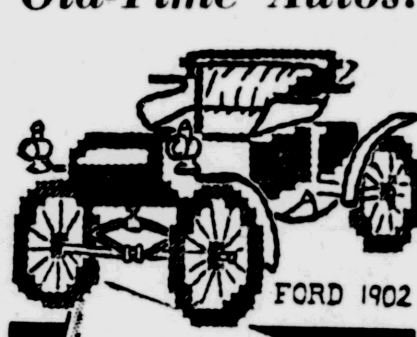

Upon the recommendation of the executive committee it was decided to use \$100 of the surplus of the year towards the dancing classes for next year; also \$100 to \$150 as needed, for the purchase of a display showcase. This case is intended also for the use of keeping valuables under lock and key. It was brought out that from time to time different articles are loaned to the school from museums for display purposes and in the past there has been no safe place to display these with absolute safety. Also articles that children bring from home for display or sharing the interest in, and are often times valued either for sentimental reason or otherwise. It was decided to dispense with the special assembly program until next year when it will be decided if there is enough money in the surplus for such.

Officers Elected
After the constitution was read and adopted, election of officers for next year followed. Officers elected: Mrs. Robert Clarkson, president; Mrs. Robert Clarkson, first vice president; Mrs. Robert Reid, Jr., second vice president; Mrs. Jack Cotton, recording secretary; Mrs. A. Stephen Tenedini, corresponding secretary; Ralph Buchanan, treasurer.

Mrs. Robert Pyle presented corsages of appreciation to the outgoing president, Mrs. Albert Kerr, and the incoming president, Mrs. Green Dr. George Thomas, principal of the school, thanked all who helped make the year for the PFO a great success.

Mrs. Kerr in closing her year of service to the PFO thanked all who helped her, the executive committee, the many other committees and all the parents and teachers who cooperated in the year's activities. Mrs. Kerr suggested the organization look into the possibility of affiliation with the P-T-A in the future.

Cleveland Push No Idle Threat; Stan Musial Pounds 14th Homer

By BEN PHLEGAR
(AP Sports Writer)

Take to the hills men, the Tribe is on the warpath.

More and more it looks as if the Indians from Cleveland really mean business this time. No minor skirmishes, no short-lived forays, but a full scale drive right through the American League.

The Indians have stretched their lead to two games over the New York Yankees and Chicago White Sox since moving into first place last Sunday.

Their 2-1 squeaker over the Baltimore Orioles last night was their eighth straight victory, longest winning streak in either league this season.

The Indians needed some luck. They managed just three hits and the only solid one was a line single in the third by George Strickland.

Al Smith singled home the first run in the third with a bad bounce into right field. Al Rosen drove home the other in the eighth with a single that hopped over the head of Vern Stephens at third base.

Early Wynn gave Baltimore five hits, one a homer by Dick Kryhoski in the ninth.

Boxing Beat Yankees
The Yankees, who had burned up the west with an 8-2 road trip, returned home to get beaten 6-3 by the Boston Red Sox. Chicago moved into third place with an 8-0 victory over Detroit and Philadelphia lost its seventh in a row, 7-3 to Washington.

In the National League the St. Louis Cardinals overcame Cincinnati 8-7 in 10 innings. Brooklyn edged Pittsburgh 3-2. Philadelphia defeated New York 8-1 and Milwaukee beat Chicago 6-4.

Whitely Ford battled Boston until the sixth inning. Then the weak-hitting Red Sox opened up with six hits including a triple by Milt Bolling, a three-run homer by Harry Agganis and two singles by Jackie Jensen. Frank Sullivan, a relief specialist, made his first major league start a winning one.

Bob Keegan gave up only three hits to the Tigers in pitching his second shutout for Chicago. Cass Michaels drove in three Sox runs with a pair of singles.

The Senators hopped on Art Dittmar for four runs in the first inning, two of them on Pete Runnels' triple, and the Athletics never had a chance against Bob Porterfield who posted his fifth victory.

A two base error by Johnny

Temple and consecutive singles by Ray Jablonski, Tom Alston and Rip Repulski gave the Cardinals the two runs they needed in the 10th to beat Cincinnati.

Musial Hits 14th
Stan Musial hit his 14th home run, this one with the bases loaded, in the seventh but the Redlegs tied the score in the ninth on a single by Temple and a double by Wally Post. Gus Bell's single plus a wild pitch and an error gave Cincinnati a 7-6 lead in the top of the 10th.

The slump-ridden Dodgers had a hard time disposing of last place Pittsburgh. The Pirates grabbed a 2-0 lead in the sixth on a double by Vern Law, two sacrifices and a home run by Bob Skinner. Brooklyn caught up in the seventh on Pee Wee Reese's homer, an error and a double by George Shuba.

Then in the eighth Billy Cox walked, was sacrificed to second and romped home on Junior Gilliam's pinch hit single.

Robin Roberts found it easy to win his fifth game after the Phillies pounded six straight singles for five runs in the first inning against the Giants.

Home runs were the big factor in Milwaukee's first Wrigley Field triumph of the season. The winning margin came on a two-run homer by Hank Aaron in the eighth.

Toski's 135 New 36-Hole Record
Baltimore, May 22 (AP)—Tiny Bob Toski, still getting more bounce to the ounce, swung into the third round of the \$20,000 Eastern Open today leading his nearest rival by three strokes and the rest of the golfing pack by seven.

The 5-foot-8 picture swinger from Livingston, N. J., yesterday added a 3-under-par 69 to his opening round 66 for a cracking 135 total, a record at the half-way mark. The old 36-hole record of 137 was set by Clayton Heafner in 1950 and is shared by three others.

All alone at 138 was Jim Turnesa of Briarcliff, N. Y., yesterday's best performer with a 68 and the only other competitor to beat par 72 for the second straight day over the rugged Mt. Pleasant Municipal course.

Four strokes behind Turnesa came George Fazio of Pine Valley, N. J., who matched Toski's 69.

The 72-hole medal competition starts Saturday, June 19 at Wiltwyck Golf Club then moves to Shawangunk Country Club at Ellenville the next day.

After the field has been pared at the 36-hole mark, play resumes Saturday, June 26, at Twaalfskill, with the 18-hole windup scheduled at Woodstock Country Club Sunday, June 27.

Scores will be cumulative after the 36-hole qualifying round.

All bona fide amateur players residing within the limits of Ulster county are eligible to compete. The 1954 winner will receive a beautiful plaque and there will be several merchandise prizes for runnerup positions.

Entry blanks have been mailed to all former participants in the tournament. Blanks will be available at the various courses for all other entries.

Langlois Screams for Olson After Upset Over Giardello
New York, May 22—Pierre Langlois, third upset winner from Jean Bretonnel's fighting French stable in the last eight days, has scrambled middleweight title plans by manhandling a sluggish Joey Giardello.

Giardello was in line for an October shot at Bobo Olson's crown—if the champ got past Rocky Castellani in August. Now Langlois is screaming from the roof tops.

The unanimous decision for Langlois (63-1 by both judges, Arlie Aidala and Jack Gordon and 5-4-1 by Referee Ruby Goldstein) provoked sharp reaction on all sides. The AP had Langlois on top 7-3.

"Pierre is going home to Paris and he won't come back until he gets Olson," yelled George Kanter who handles Bretonnel's American business. "We're going to the commission Monday with a \$2,500 forfeit check for a title shot. We're sick and tired of getting pushed around."

Graham Concludes Tour
London, May 22 (AP)—Billy Graham concludes tonight an evangelistic campaign in London which aroused an interest amazing to British churchmen. Two of the capital's largest stadiums, White City which accommodates 60,000 with ease, and 100,000 capacity Wembley, where the Olympic games were held in 1948, have been engaged for the American evangelist's climactic services. He will preach in each stadium.

About the hardest thing to find in London today was a ticket to either stadium. Every one has been allotted, and on the demand of disappointed thousands the British Broadcasting Corporation (BBC) has agreed to broadcast the evening sermon at Wembley in its popular light program service.

Other officers elected were Mrs. Ino Spindler, vice-president; Mrs. Gene Van Winkle, secretary and Mrs. Charles George, treasurer. The club voted to make a donation to the cerebral palsy drive, and each member was urged to also help out individually. Mrs. Vernon Freese, chairman of the scholastic fund, reported that the teachers in the schools in the town of Rosendale whom she had contacted appreciated the club's gesture in making awards to the children of the schools who show the most improvement during the school year. One child from each school will be chosen by the teachers. The annual picnic will be held at Spindler's June 6. The committee in charge includes Mrs. F. Chyzik, chairman, Mrs. S. Reposeky and Mrs. G. Van Winkle. An invitation to make a tour of the Rosendale cement mines by James Fahey was accepted, and the club will plan this event in the early fall. Co-hostesses for the meeting included Mrs. Joseph Hill, Mrs. Stephen Hiro, Jr., and Mrs. Vincent Steeley.

Says Bombers Ready

Washington, May 22 (AP)—The boss of America's long-range bombing force says his planes and crews are set to strike at targets anywhere in the world. Gen. Curtis Lemay, chief of the air force's Strategic Air Command, said yesterday "the readiness of our strategic bombers to strike back on a global scale is a considerable factor . . . in discouraging the spread of a limited war." Gen. Lemay told the Armed Forces Chemical Assn. that his bombers can take off in any kind of weather, "fly direct to within a few hundred feet above any designated point on the globe," and "hit their target when they get there."
